GRANDMA'S BOYFRIEND

A 5-year-old boy went to visit his grandmother one day.

Playing with his toys in her bedroom while grandma was dusting, he looked up and said, 'Grandma, how come you don't have a boyfriend now that Grandpa went to heaven?'

Grandma replied, 'Honey, my TV is my boyfriend. I can sit in my bedroom and watch it all day long. The religious programs make me feel good and the comedies make me laugh... I'm happy with my TV as my boyfriend.'

Grandma turned on the TV, and the reception was terrible.

She started adjusting the knobs, trying to get the picture in focus.

Frustrated, she started hitting the backside of the TV hoping to fix the problem.

The little boy heard the doorbell ring, so he hurried to open the door and there stood Grandma's minister.

The minister said, 'Hello son, is your Grandma home?'

The little boy replied, 'Yeah, she's in the bedroom bangin' her boyfriend.'

APC DIRECTORS MONTHLY PROGRESS REPORT MARCH 2022

***** We are holding an open Townhall and an Extraordinary General Assembly at L'Oase at 3:00 pm on SATURDAY, APRIL 9, 2022, where we will welcome questions and comments from all members. We will present an updated version of Estatutos (constitution) for the APC for approval. *****

We continue updating the APC database, making sure we have the correct email for each and every member. ****PLEASE STOP BY THE OFFICE, AND DROP OFF YOUR EMAIL ADDRESS AND WHATSAPP NUMBER**** We can then keep you up to date with all the exciting things happening in our community. By the way, until May 1, the APC office is open from 9 am to 5 pm every weekday, and from 9 am to noon every Saturday. We are accepting payments of the JDV fees from APC members - 1,000 pesos per membership for all of 2022..

JOBS DONE:

1. There are now regular National Police patrols through Costambar. We are monitoring the number of patrols every day, to ensure we receive at least minimal, regular police attendance here. Thank you to Colonel Dionis Smith Sanchez, chief of the National Police in Puerto Plata.
2. Fumipop of Puerto Plata has agreed to cut grass and clean along our roads. During the initial 3 month agreement, it has agreed to do so in return for a small fee that covers their expenses. If you like what you see, please contact the Board - Fumipop will be delighted to provide you with a quote for landscaping services at individual residences.
3. The APC has entered into arrangements with groups of residents in Costambar to provide regular beach cleaning services. Companies in Puerto Plata will attend a couple of times a week to clean parts of the beach that adjoin groups of 4 and 5 houses; the cleaning is funded by the homeowners that benefit from cleaner beaches.
4. The security system at the front gate, and at the APC office have now been upgraded. Please contact William (Junior) Blandino, of Nutecom, at (809) 586-6883, or by email at info@nutecom.com.do to arrange installation of a camera security system at your condominium development, your home or your business. Nutecom offers the ability to easily set up a central monitoring location into which individual owners can direct feeds from cameras they choose to have monitored. Some equipment has already been purchased by the Board, and by the Security Committee (Jack Cameron at jackflor@aol.com).
6. The office is looking great! The Board would like to obtain an A/C unit, a couple of comfortable chairs and a couch to complete the renovations. Donations will still gladly be accepted at the office. We have raised some 19,000 pesos so far from generous members; we would like to raise a further 50,000 to finish the job. Donations will be accepted at the office any time.
7. On March 24, 2022, demolition of the old Country Club commenced - at no cost to APC or any other party. The removal of this dangerous eyesore was only possible through the hard work and tenacity of our new APC President, Jorge Fernandez. The written consents of the three owners were required to get the ball rolling, as well as demolition permits from the Medio Ambiente and the Ayuntamiento de Puerto Plata. Thank you very much to the parties involved.

In April, the Board intends to begin charging visitor vehicles for parking at the beach on weekends and on holidays. An Agreement has been reached with the Beach Vendors Association and the Junta de Vecinos for the sharing of the revenues to be generated. The Associations have agreed to use the funds for beach cleaning and for other general maintenance of our streets and public areas. We will also be enforcing a daily beach closing time for visitors, along with stricter entry controls at the main gate during evenings and overnight. **Please watch for more information at the front gate in the next few weeks. We will be introducing signs there, and handing out information flyers as our plans become more concrete.** This project is notable for being ~~the first cooperative~~ venture among the Costambar groups - there will be more. In the agreement, the beach vendors association have agreed to release the APC from any penalties demanded in a judgment obtained by the Vendors association when the APC previously attempted to charge entry fees.

The Board has made arrangements for 2 men to fill potholes on our streets with cement. The cost is approximately 3,000 pesos a day, plus 500 pesos for each bag of cement. There is a sign-up sheet at the APC office, where your interest, and your donations will be recorded. The cost of a pizza and a beer will fill a pothole!!

As always, if you like the activity you see in Costambar now, please spread the word. New members are always welcome. Bring your friends to the APC office to sign up - payment of fees can be made on a schedule that fits any budget.

"He who stops to ponder and think will generally come out ahead."
When Gandhi was studying law at University College, London, a Caucasian professor, whose last name was Peters, disliked him intensely and always displayed prejudice and animosity towards him. Also, because Gandhi never lowered his head when addressing him, as he expected, there were always arguments and confrontations.

One day, Mr. Peters was having lunch at the dining room of the University, and Gandhi came along with his tray and sat next to the professor. The professor said, "Mr. Gandhi, you do not understand. A pig and a bird do not sit together to eat."

Gandhi looked at him as a parent would a rude child and calmly replied, "You do not worry professor. I'll fly away," and he went and sat at another table. Mr. Peters, reddened with rage, decided to take revenge on the next test paper, but Gandhi responded brilliantly to all questions.

Mr. Peters, unhappy and frustrated, asked him the following question.

"Mr. Gandhi, if you were walking down the street and found a package, and within was a bag of wisdom and another bag with a lot of money, which one would you take?" Without hesitating, Gandhi responded, "The one with the money, of course."

Mr. Peters, smiling sarcastically, said, "I, in your place, would have taken wisdom, don't you think?"

Gandhi shrugged indifferently and responded, "Each one takes what he doesn't have."

Mr. Peters, by this time was beside himself and so great was his anger that he wrote on Gandhi's exam sheet the word "idiot" and gave it to Gandhi. Gandhi took the exam sheet and sat down at his desk trying very hard to remain calm while he contemplated his next move. A few minutes later, Gandhi got up, went to the professor and said to him in a dignified but sarcastically polite tone, "Mr. Peters, you signed the sheet, but you did not give me the grade."

Wit always wins over anger.
