The young woman who submitted the tech support message below (about her relationship with her husband) presumably did it as a joke. Then she got a reply that was way too good to keep to herself. The tech support people's love advice was hilarious. The query:

Dear Tech Support,

"Last year I upgraded from Boyfriend 5.0 to Husband 1.0 and noticed a distinct slowdown in overall system performance, particularly in the flower and jewelry applications, which operated flawlessly under Boyfriend 5.0.

In addition, Husband 1.0 uninstalled many other valuable programs, such as Romance 9.5 and Personal Attention 6.5, and then installed undesirable programs such as NBA 5.0, NFL 3.0, and Golf Clubs 4.1. Conversation 8.0 no longer runs, and House cleaning 2.6 simply crashes the system. Please note that I have tried running Nagging 5.3 to fix these problems but to no avail.

What can I do?

Signed: Desperate

The response (that came weeks later out of the blue)

Dear Desperate,

First, keep in mind, Boyfriend 5.0 is an Entertainment Package, while Husband 1.0 is an Operating System. Please enter the command: I thought you loved me.html and try to download Tears 6.2. Do not forget to install the Guilt 3.0 update. If that application works as designed, Husband 1.0 should then automatically run the applications Jewelry 2.0 and Flowers 3.5. However, remember, overuse of the Tears application can cause Husband 1.0 to default to Grumpy Silence 2.5, Happy Hour 7.0, or Beer 6.1. Please note that Beer 6.1 is a very bad program that will download the Snoring Loudly Beta version. Whatever you do, DO NOT, under any circumstances, install Mother-In-Law 1.0 as it runs a virus in the background that will eventually seize control of all your system resources. In addition, please do not attempt to re-install the Boyfriend 5.0 program. These are unsupported applications and will crash Husband 1.0. In summary, Husband 1.0 is a great program, but it does have limited memory and cannot learn new applications quickly. You might consider buying additional software to improve memory and performance. We recommend Cooking 3.0.

Good Luck

On Saturday Nelly Bobro, Jennifer Bamsey, Tammy Doiron and Judy Wetherall met with Deborah Londeau Sorenson on the beach to give Deborah 15000 Pesos to help pay Santos for all of his hard work with the Coral reef's. This would not have been possible without all of the wonderful people here in Costambar purchasing our jello shooters. Again thank you for supporting us and making this happen.

Here are the top nine comments made by NBC sports commentators during a Summer Olympics that they would like to take back:

1. Weightlifting commentator: "This is Gregoriava from Bulgaria. I saw her snatch this morning during her warm up and it was amazing."
2. Dressage commentator: "This is really a lovely horse and I speak from personal experience since I once mounted her mother."
3. Paul Hamm, Gymnast: "I owe a lot to my parents, especially my mother and father."
4. Boxing Analyst: "Sure there have been injuries, and even some deaths in boxing, but none of them really that serious."
5. Softball announcer: "If history repeats itself, I should think we can expect the same thing again."
6. Basketball analyst: "He dribbles a lot and the opposition doesn't like it. In fact you can see it all over their faces."
7. At the rowing medal ceremony: "Ah, isn't that nice, the wife of the IOC president is hugging the cox of the British crew."
8. Soccer commentator: "Julian Dicks is everywhere. It's like they've got eleven Dicks on the field."
9. Tennis commentator: "One of the reasons Andy is playing so well is that, before the final round his wife takes out his balls and kisses them... Oh my God, what have I just said?"

People with siblings have better survival skills because they've had experience in physical combat, psychological warfare, and sensing suspicious activity.

THEY CALL IT GOLF BECAUSE ALL THE OTHER FOUR LETTER WORDS WERE TAKEN.

-RAY FLOYD

My Kid: I feel like you're always making up rules and stuff.

Me: Like what?

My Kid: Like if I don't clean my room a portal will open and take me to another dimension.

Me: Well that's what happened to your older brother.

My Kid: What older brother?

Me: Exactly.

OLDTIMERS

An old man was eating in a truck stop when three rough-looking bikers walked in. As they passed the old man, the first biker pushed his cigarette into the old man's pie, then laughed and took a seat at the counter. The second biker picked up the old man's milk and spit into it. The third biker turned over the old man's plate before joining the others at the counter.

Without saying a word to the laughing bikers, the old man put his money down, got up, and left the diner. One of the bikers said to the waitress, "Not much of a man, was he?"

The waitress replied, "Not much of a truck driver either. He just backed his big rig over three motorcycles!"

Wouldn't it be nice if you read a medicine bottle that says...
Warning: May cause permanent weight loss, remove wrinkles, and increase energy.

Them: What inspires you to get out of bed every morning?

Me: My bladder mostly.

POINTS TO PONDER

I choked on a carrot this morning, and all I could think of was, "I'll bet a doughnut wouldn't have done this to me."

Nothing spoils a good story more than the arrival of an eyewitness. (Mark Twain)

I finally realize why I look so bad in pictures. It's my face.

It only takes one slow-walking person in the grocery store to destroy the illusion that I'm a nice person.

It's fine to eat a test grape in the produce section, but you take one bite of rotisserie chicken and it's all, "Sir, you need to leave!"

One thing no one ever talks about, when it comes to being an older adult, is how much time we devote to keeping a cardboard box because it is, you know, a really good box.

I like to make lists. I also like to leave them laying on the kitchen counter, and then guess what's on the list when I am at the store.

Ask your doctor if a drug with 32 pages of side-effects is bad for you.

I just read a book about marriage that says treat your wife like you treated her on your first date. So tonight after dinner I'm dropping her off at her parent's house.

As I watch this generation try to rewrite history, one thing I am sure of is that it will be misspelled and have no punctuation.

I asked a supermarket employee where they kept the canned peaches. He said, "I'll see," and walked away. I asked another and he also said, "I'll see," and walked away. In the end, I gave up and found them myself, in Aisle C.

When I was a kid, I used to watch the "Wizard of Oz" and wonder how someone could talk if they didn't have a brain. Then, I got Facebook.

Do you ever get up in the morning, look in the mirror & think, "That can't be accurate!"

Apparently RSVPing to a wedding invitation with "Maybe next time" isn't the correct response.

A guy walks into a lumberyard and asks for some 2x4s. The clerk asks, "How long do you need them?" The guy answers, "A long time. We're gonna build a house." I just burned 1,200 calories. I forgot the pizza in the oven.

Who knew that the hardest thing of being an adult is figuring out what to fix for dinner and doing it every single night for the rest of your life until you die?

Never trust an electrician with no eyebrows.

Instead of cleaning my house, I just watch an episode of "The Hoarders", and think, "Wow! My house looks great."

An old woman walked up and tied her old mule to the hitching post. As she stood there, brushing some of the dust from her face and clothes, a young gunslinger stepped out of the saloon with a gun in one hand and a bottle of whiskey in the other. The young gunslinger looked at the old woman and laughed, "hey old woman, have you ever danced?"

The old woman looked up at the gunslinger and said, "no,... I never did dance... Never really wanted to."

A crowd had gathered as the gunslinger grinned and said "well, you old bag, you're gonna dance now," and started shooting at the old woman's feet.

The old woman prospector -- not wanting to get her toe blown off -- started hopping around. Everybody was laughing. When his last bullet had been fired, the young gunslinger, still laughing, holstered his gun and turned around to go back into the saloon.

The old woman turned to her pack mule, pulled out a double-barreled shotgun, and cocked both hammers. The loud clicks carried clearly through the desert air, and the crowd stopped laughing immediately. The young gunslinger heard the sounds, too, and he turned around very slowly. The silence was almost deafening. The crowd watched as the young gunman stared at the old woman and the large gaping holes of those twin barrels.

The barrels of the shotgun never wavered in the old woman's hands, as she quietly said, "son, have you ever kissed a mule's ass?"

The gunslinger swallowed hard and said, "no m'am... But i've always wanted to."

There are five lessons here for all of us:

- 1 - never be arrogant.
- 2 - don't waste ammunition.
- 3 - whiskey makes you think you're smarter than you are.
- 4 - always make sure you know who has the power.
- 5 - don't mess with old women; they didn't get old by being stupid.
